Dec. 30, 1963

Hi John:

Your Hammarlund HQ 129X is still doing a fine job for you (Sept of 1959 from Cambridge) and now your report of May 12, 1963 from Freehold, N.J. is correctly reported. We are now 5 KW daytime, and 1 KW directional at sunset. The best to you in the New Year.

Sincerely,

Elbridge Hooker
