PS got 25 reports so far. Best dx is Chicago (5) from there.
ALL reports mention KBOX plus unidentified Tester with digital
cant say. also a str in Newfoundland. I heard this str:
after I signed off but I could not hear other station although
I had hear a Hum type sig. else it was a heat note between
2 str.

We do use 3m Tape here hi. Had a report from Mr.
Dallas John, who said he met you at a NRC convention.

I think KBOX is going to keep me from getting reports from West
Coast. good dx John. CU agr
