Dear Mr. Sampson: This will confirm your reception of WCRB-AM at 9:00 pm on July 16, 1962. Yes, ours is the 3-tower array near Rte. 128. Our power is 5 kw, night-time pattern is directional with strongest lobe centered E. by N. (Daytime non-directional). Thank-you for your report and your interest, both in technical operations and in programming. 73 C. Kitchewey, Ch. Engineer
