Dear Mr. Sampson,

I am very pleased to acknowledge your reception report of Radio Station WDOS on March 14, 1962 at 7:21 AM EST.

WDOS operates on 730 Kcs. from sunrise to sunset with a power output of 1000 watts. Our transmitter is located in Oneonta, New York. We operate our transmitter by remote control, Non-directional.

I am always interested in receiving reception reports from around the country by listeners such as yourself that contribute greatly towards our engineering efforts.

Very truly yours,

RADIO STATION WDOS
