Mr. John Sampson
Freehold - N. J.

March 8 1963

Dear Mr Sampson -

Thank you for your report on our test run of 3/4/63 and I am pleased to confirm your reception of our station. At the time we were getting a frequency check at Cambridge Mass.

Enclosed map for our signal - Max. attenuation, Lebanon, Pa. - same freq. - 10 uc for Trenton N.J. Our power 500 watts. Day time only 8⁴⁵_a to 4¹⁵_p. 2 tower array giving a low pattern.

Thanks again for the report.
Yours Truly
Earl Cropper
WJCE

Mr Sampson -

Interesting to note your report from Freehold. I have been there many times to visit my cousin Mrs. Wm T. Robinson, formally living at 84 West Main St. Hillside, the late Dr. Wm T. - Kent.

I was in Atlantic City stations then now commuted to WJCE from Margate

Earl
