Dear DX'er:

This letter is to verify the fact that radio station W.E.R.T., 1220 KC, Van Wert, Ohio, was transmitting for test purposes between the hours of 4:15 AM and 4:45 AM on the morning of November 30, 1964. Judging from the information you stated in your letter, there is no doubt you did receive W.E.R.T. on your receiver at that time.

Please excuse the printed letter and the delay in answering as the response was exceptionally good and the work load here at the station has been quite heavy due to some new automation systems. I received letters from as far away as California, Alabama, Maine, and Canada. Thanks for listening.

Sincerely,

Thomas Epps,
Chief Engineer
