NEW JERSEY

DEAR MR. SAMPSON:

THIS WILL VERIFY YOUR RECEPTION OF WFST ON THE MORNING OF OCTOBER 23RD 1963, BETWEEN THE HOURS OF 0558 AND 0605 EDT. YOUR REPORT WAS EXTREMELY ACCURATE AND COMPLETE. ALTHOUGH THESE REPORTS OFFER NO PRACTICAL VALUE TO US, WE ARE PLEASED TO CONFIRM THEM TO ASSIST IN THE HOBBY OF DX LISTENING.

WFST OPERATES DURING DAYLIGHT HOURS. OUR NON-DIRECTIONAL SIGNAL IS RADIATED FROM A 250-FOOT VERTICAL RADIATOR AT A HEIGHT OF 260 FEET ABOVE AVERAGE TERRAIN. WFST-FM DUPLICATES THE PROGRAMMING OF WFST DURING DAYLIGHT HOURS, BUT REMAINS ON THE AIR EACH NIGHT UNTIL 11:05 WITH QUALITY PROGRAMMING. THIS IS THE ONLY FM OUTLET IN NORTHERN MAINE.

WE SERVE LISTENERS THROUGHOUT AROOSTOOK COUNTY, MAINE...AS WELL AS NEIGHBORING NEW BRUNSWICK AND QUEBEC, CANADA WITH THE BEST IN MUSIC AND NEWS. WE HAVE MANY LISTENERS ALONG THE NORTH SHORE OF THE ST. LAWRENCE RIVER. OUR STATION IS THE ONLY ENGLISH LANGUAGE STATION THAT THEY ARE ABLE TO RECEIVE REGULARLY. QUEBEC STATIONS IN THAT AREA NORMALLY BROADCAST IN FRENCH.

THANKS AGAIN FOR YOUR REPORT AND YOUR INTEREST IN OUR STATION. GOOD LUCK ON YOUR FUTURE DX-ING.

VERY TRULY YOURS,
NORTHERN BROADCASTING CO.
