Mr. John Sampson  
23 Terrence Ter.  
Freehold, New Jersey

Dear Sir:

Received your letter concerning the morning of October 21, 1963. This is to varify that you did pick up our station. We are a new station in Wilmington with the power of 250 Watts non-directional.

We were surprised to hear from anyone from that great a distance, but you did pick us up.

Thanking you very much.

Sincerely,

Buford D. Epperson, mgr.
