

Dear Sir:

It gives me a great deal of pleasure to answer your request for a QSL.

Radio Station WLYN operates on an assigned carrier frequency of 1360 KC, with the radiated power of 1000 watts. Our broadcasting studios are located at 156 Broad Street, the Professional Building, in Lynn, Massachusetts. Our transmitter is located at Fox Hill Bridge in West Lynn, Massachusetts, North Latitude $42^{\circ} 27$ minutes 17 seconds, West Longitude $70^{\circ} 58$ minutes 44 seconds.

We operate as a daylight station from 6:00 AM to local sunset. Our longest days occur during June and July when we sign on at 6:00 AM and sign off at 8:00 PM. Our shortest days are in December when we sign on at 6:00 AM and sign off at 4:15 PM.

Once again, thanks for your inquiry.
