

5000 WATTS

Dear John

Am happy to confirm your reception report from 12:12 on til 12:18 EST Nov. 4, 1963

Am inclosing coverage map which contain some information about our station -

5000 watts modulated 100% with approx 1000gc tone used frequency check sets good coverage -

our monitoring pickup is in Winston Salem, N.C.

Thanks again

I remain

David B. Bortoluzzi
Chief Engineer
