

## HAMMONTON BROADCASTING COMPANY

STUDIO OFFICES 115 VINE STREET, HAMMONTON, NEW JERSEY

LOGAN 1-1900

April 11, 1963

Mr. John Sampson  
23 Terrence Terrace  
Freehold  
New Jersey

Dear Mr. Sampson:

This is to verify that your reception report for Saturday April 6, 1963 is correct. WNJH is a 250 watt station broadcasting on 1580 kc., as you reported. Since our power is so low, I confess surprise that you were able to receive the station at all.

Thank you for your reception report. Good luck in future "DXing".

Sincerely yours,

A handwritten signature in cursive script that reads "Robert D. Cope".

Robert D. Cope
