Mr. John Sampson
23 Terrence Ter.
Freehold, N.J.

Dear Mr. Sampson:

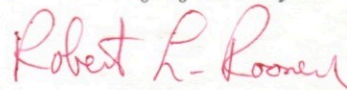

Thank you for your reception report of WOSC on 11 November 1963 at 1:17 A.M. This will confirm that report.

WOSC is a daytime radio station and should you ever hear our station during normal broadcast hours we would sincerely appreciate another report from you.

We also operate WOSC-FM with 3,100 watts ERP with separate programming. WOSC-FM's antenna is on top of our 308 foot AM tower. We regret that we have no coverage map to send you as we have recently increased our coverage area and have not yet had new maps printed. WOSC's radiation pattern is omnidirectional.

Thank you again for your report. All 73.

Sincerely yours,

Robert L. Rooney
Technical Aide
