Dear Sir:

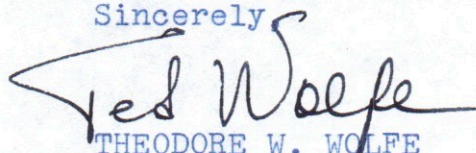

Our owner and Chief Engineer, Mr. William D. Stone, has directed that I answer all the DX reports we have received from listeners who tuned in to our equipment test transmissions.

This, therefore, is to acknowledge your report of reception on Monday morning, November 4th, between 12:58 and 1:11 a.m. EST.

WRDS is a new station. We completed our equipment tests this Sunday morning. We expect to be in regular daytime operation within the next two weeks.

Thank you for your reception report.

Sincerely

THEODORE W. WOLFE
Program Director
