Dear John,

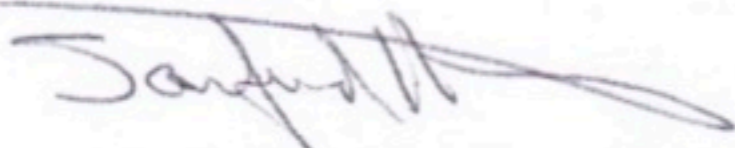

Thank you for your reception report of radio station CFAM at 10:36 am to 10:47 am CST on July 22, 1998.

CFAM broadcasts on 950kHz at 10Kilowatts 24 hours a day. The transmitter is a Continental Electronics 316F and is located near Winkler, Manitoba (125 kms SSW of Winnipeg). It operates into a four tower array with a slightly different coverage pattern for day and night. CFAM is one of four stations that make up Radio Southern Manitoba. The other three stations are: CKMW 1570kHz, AM1250 1250kHz, CJRB 1220 kHz.

Radio Southern Manitoba is owned and operated by Golden West Broadcasting Ltd. who have their head offices in Altona, Manitoba.

Thank you again for your letter and we wish you continued success in listening to distant stations. Perhaps you will have the opportunity to listen to some of our other stations.

Sincerely,

Sanford Hildebrand
Engineer
