Hi John,

My name is Alex Boccia and I am part of the Radio Engineering team and on behalf of the engineering team here at Rogers Radio, I would like to confirm that on September 28, 2016 at:

10:15pm a Home Hardware ad was aired followed by a First Choice Hair Cutters ad

10:17pm a Two Men in a Truck aired which was followed by an ad for Honda

10:18pm the wrap up of the Blue Jays – Orioles game

10:23pm start of Blue Jays talk in which the phone numbers were given

These times and content were confirmed through our KLZ off air logger which we use to monitor, collect and store what is heard on air.

Our CJCL transmitter is the closest to you out of the four stations we broadcast as it is just outside Niagara Falls.

Thank you for listening to us and we appreciate the reach out.

Regards,

Alex Boccia
