Dear John

Thank-you for your reception report of radio station CJRB at 10:48 pm – 11:03 pm CDT on July 19, 1999.

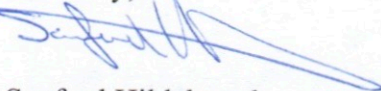

CJRB broadcasts on 1220Khz at 10kw 24 hours a day. The transmitter is a Continental Electronics 316F and is located 1 mile north of Boissevain, Manitoba. It is operated into a four tower array with the different coverage patterns for both day and night. CJRB is one of four stations that make up Radio Southern Manitoba. The other three stations are: CFAM 950, CKMW 1570, and AM1250 khz.

Radio Southern Manitoba is owned and operated by Golden West Broadcasting LTD who have there head offices in Altona, MB.

Thank you again for your letter and we wish you continued success in listening to distant radio stations. Perhaps you will have the opportunity to listen to some of our other stations.

I have included a copy of our program guide for your collection.

Sincerely,

Sanford Hildebrand
