Dear Mr. Simpson:

We received your letter regarding you picking up our signal in Grand Rapids on Wednesday, May 25<sup>th</sup>, 2005. It is quite amazing that our signal would travel that far. It is nice to know that the great music we play is heard from such a distance, even if only for a brief time.

After reviewing the air log from the time mentioned in your letter, I can confirm that you were listening to our station.

Sincerely Yours
