Re: CKGL Transmission's Sept.17, 2001

Dear John:

We have received your correspondence letter regarding the monitoring of our AM station Newstalk 570 CKGL.

We are a 10,000 Watt AM 5 antenna Series array. Broadcasting in Kitchener Waterloo and surrounding areas.

I details in your letter do match with what we broadcast that day, with the exception of a few name spelling errors.

Thank you for the letter, hope to here from you in the not too distant future.

Sincerely;

Michael McCabe
Chief Engineer
