Mr. Scott Hennen  
General Manager  
Radio Station KCNN  
East Grand Forks, Minnesota

Dear Mr. Hennen:

Last September, I received a portion of KCNN's broadcasts on 1590 kHz. At that time, I submitted a reception report outlining what I had heard on KCNN from my location (about 200 miles north of Minneapolis). Since I haven't received a confirmation as yet, it appears that my report went astray somewhere along the line. I am very anxious to add KCNN to my list of confirmed AM broadcast stations and so am submitting my report again.

My hobby is listening to the standard AM Broadcast Band for radio stations, writing to the stations informing them of my reception and requesting a confirmation of this reception. I have collected over 3000 such confirmations from different stations and would prize a KCNN confirmation to add to this.

Items and announcements I heard over KCNN on Monday, September 20, 1999, from 11:56 AM to 12:06 PM (Central Daylight Time) follow:

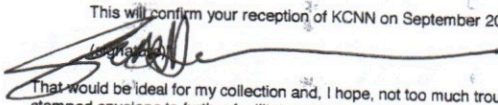

- 11:56 Break from Rush Limbaugh show and ads for Grand Forks Heating, New Vision Truck Accessories, Tim Shae's Nursery and Landscaping, the El Rocco Casino, J. C. Penney an Sloux (NDU?) call-in show on KCNN
- 11:58 Brief return to Rush
- 11:59 Ad for Quality Auto Body and Glass followed by a KCNN Radar Weather Forecast with KCNN Staff Meteorologist Ian Osborne
- 12:00 CBS News
- 12:03 News from the KCNN News Center with Colette Keegan
- 12:06 Invitation from John Rightmeyer to listen to "Afternoon Magazine", weekdays 3 to 5 on KCNN and return to the Rush Limbaugh show

I used a Collins UR388 receiver with two foot amplified loop antenna to receive KCNN. Your signal is fairly strong here during the day with slight interference from WISK in New Richmond. At night, I am unable to hear you.

May I suggest a confirmation format; this on your KCNN letterhead:

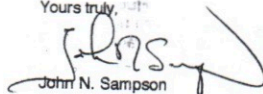

\*Mr. Sampson:

This will confirm your reception of KCNN on September 20, 1999.

 G.M. 1/24/00  
That would be ideal for my collection and, I hope, not too much trouble for you. I have also enclosed a self-addressed, stamped envelope to further facilitate reply.

Many thanks in advance for your time, consideration and assistance. I hope that this report has been of interest to you and I will be looking forward to a confirmation.

Yours truly,

  
John N. Sampson
