John,

It sure does appear that you were listening to 1250 AM, KCUE stating our slogan of "Bluff Country...America's Greatest Country" on July 21, 2018. Always nice to know we have listeners from around the world. We've had similar letters from as far away as Norway!

Keep up the listening and enjoying your hobby!

Best of luck to you!

Sincerely,

Donald D. Kliewer
