Dear Mr. Sampson,

I am sending you this letter to add to your collection of 3,000+ confirmations! The items and announcements you documented on September 3, 1998 were indeed those of KDDS 1490 AM. Since we simulcast all of our FM programming on the AM and we only sell the FM... we don't have much call for separate KDDS letterhead for the AM... I hope that this letter will do to confirm your reception of KDDS on September 3, 1998.

Best wishes,
