Dear Mr. Sampson,

You did indeed hear 'The Mighty 920 KDHL' on the evening of September 9th, 2021. The commercials and what you heard corroborates with what was being aired that night.

We welcome your correspondence on this matter, and for your information we cover St. Olaf football Saturday's on KDHL, and Carleton football on Power 96 also on Saturday's during the fall. You can listen to those games online via the websites, kdhlradio.com or power96radio.com or through the free station apps, simply search KDHL or Power 96 Faribault on your smart phone or tablet in the app or Google Play store.

Regards,
