Dear Mr. Sampson,

Thank you for your letter. I am always amazed to learn of just how far our signal can travel sometimes. We do not have an engineer on site, so I can't tell you much more than you did indeed hear KLGZ AM 1600 from Algona, Iowa on October 17<sup>th</sup>.

We are an AM Directional station. I've enclosed our coverage map for you.

I wish you luck in hearing signals from all over the world.

Sincerely,

Bernadette Merrill
