Mr. Sampson:

Hi! As you requested, this letter will confirm your reception of KNDK on May 28, 1999. I'm from Minnesota, but I couldn't tell you where Grand Rapids is at! KNDK serves northeast North Dakota, northwest Minnesota, and southern Manitoba, is Grand Rapids in northwest or northeast Minnesota? Am I close? A while back, on December 28, 1998, KNDK did a DX test and we receive many letters from all over the country and Canada.

We appreciate the letter you sent and hopefully you will continue to listen to KNDK!

Best Wishes,
