Dear Mr. Sampson

Let me apologize for not getting back to you sooner.

I am writing you this letter to confirm that the transcript of the audio that you heard on September 24, 2001 was indeed our programming.

KOGA-AM 930.

We use a total of 4 towers here, 3 during the day and 3 at night.

We are 5000 watts during the day, and 500 watts at night.

We use a Harris SX-5A solid state transmitter.

Thanx for listening
