

"Your Information Super Station"

January 13, 2011

Mr. Sampson,

Please consider this note a confirmation of your reception of KOTA on September 30, 2010.

At night KOTA runs a 3-tower/5kw directional pattern, with the major lobe centered on 89.

I apologize that your first report was missed. We appreciate your interest.

A handwritten signature in black ink, appearing to read "Gary Rathke".
