Dear John,

This letter is to confirm that you indeed did receive KSNB-AM 950 on June 15th 2004, from 7:42 PM to 8:32 PM.

KSNB is a 1,000 watt directional station whose towers are in Eden Prairie, a Southwest suburb of Minneapolis. It's programming is a wide array of live and satellite-fed business, talk, and sports.

We appreciate that you took the time to send a DX report and wish you luck in pulling in distant AM stations.

Sincerely,

A handwritten signature in black ink that reads 'Joe Joncas'.
