Mr. Sampson:

This will confirm your reception of KXSS on May 25th, 2003.

David Engberg - VP/GM
Regent Broadcasting of St. Cloud

Congratulations on your reception of AM 1390, KXSS, St. Cloud, MN.

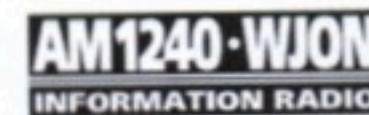

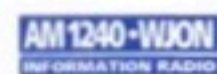

Your description of what you heard does match our programming.

KXSS is a directional AM operating at 2,500 watts daytime and 1,000 watts nighttime.

Good luck with your future dx-ing!

Mark Young
Chief Engineer
