Mr. Sampson,

This letter serves to confirm that you did indeed receive the KXXX signal on November 10, 2016 at 4:44PM to 4:49PM (Central Standard Time).

KXXX is a 5000 watt heritage AM station based in Colby, KS. It went on the air in July, 1947 and has serves the Tri-State region of NW Kansas, SW Nebraska and Eastern Colorado with agriculture news, information and classic country music.

The station is owned and operated by Rocking M Media, LLC, based in Manhattan, KS. RMM owns and operates a total of 24 stations, all in Kansas...and has recently purchased an additional 4 stations from Alpha Media in Salina, KS (pending FCC approval).

Forward Ever,

 11/22/16

Sacha Sanguinetti
General Manager – Rocking M Media, LLC of Northwest Kansas
