**Re:** Reception of WBEN AM 930

---

I just received your letter in regards to monitoring WBEN AM. WBEN 930 AM is one of six stations owned by Entercom of Buffalo. WBEN AM is the number one AM station in the Buffalo, New York market. WBEN AM has a proud history of broadcasting dating back to the 1930's. WBEN is 5,000 watts with a day and night broadcast pattern. Just as a side note, I attended the University of Minnesota at Minneapolis. WBEN AM is a "News Talk" format 24 hours a day. It was nice receiving your letter and God Bless America.

Sincerely,

  
Dennis Kavanaugh
