Dear Mr. Sampson:

We were pleased to receive your letter, and even more pleased that you were able to pick us up in Grand Rapids.

Our catch phrase is "the best of the new and the gold, Z-Country 1530 AM.

We're very please that so many Avid country music fans work so hard to pick up our little local AM Station. We also have a gentleman from Canada who tunes us in and calls us on occasion.

Please feel free to call us any time between 7-9 AM, 12-2 pm, and 4-6 pm Monday thru Friday as that is when our on air personalities are in the studio. The rest of the day we are on a satellite feed.

Thanks so much for your interest.
