Re: WGBW-AM DX Report

Dear Mr. Sampson:

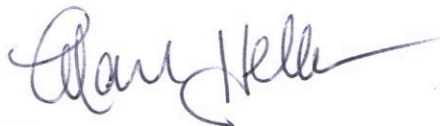

This letter is written, to confirm our one-hour test of our Two Rivers facility from Midnight to 100am, local time, on October 16th.

The short 1,000 cycle tone, National Anthem as well as a series of Bugle Calls were in fact, part of our test programming.

We heard from Western Pennsylvania; Aurora, Colorado and Winnipeg, Manitoba among other locations. In reviewing our files, this was our first 'published' test in over 20 years. We thank you for your letter, and your efforts.

Best wishes
