John, I was able to confirm your reception of WIAN AM 1240 on June 11, 2005 between 3:04 and 3:06 AM. It was amazing to hear that our little 1000 watt station "reached" all the way to Minnesota. WIAN AM used to be WJPD AM until about 13 years or so ago when we changed it's format to sports talk and simulcasted the programming with WDMJ AM 1320 in Marquette, Michigan.
