

WKNR AM SPORTS TALK 850

CLEVELAND, OHIO

November 14, 2001

Mr. John N. Sampson
35316 North Moose Point Road
Grand Rapids, Minnesota 55744

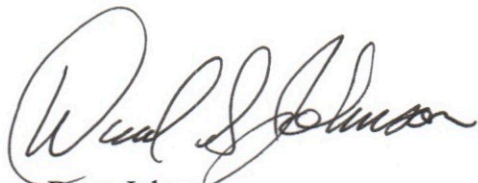

Dear Mr. Sampson,

Please consider this letter as confirmation of your reception of WKNR Sports Talk 850 of Cleveland, Ohio on July 10, 2001.

WKNR operates on 850 kHz with a power of 50,000 watts using a four tower directional antenna during daytime hours and it operates with 5000 watts using a different four tower antenna system during the night hours. The transmitter in use at the time was a Harris DX-50 Solid State Transmitter. Your report correctly listed the various items of our programming.

I appreciate the orderly presentation of your report.

WKNR changed frequencies on July 3rd of 2001. This change involved six stations in the Northeast Ohio area.
