Dear John N. Sampson

Thank you very much for listening to 1290 WMCS last month. We did transmit the programming that you listed in your report on November 17, 2008.

1290 WMCS is a 5,000 watt AM station that is owned by Mr. Willie Davis. Mr. Davis also owns WLUM-FM and WLDB-FM in Milwaukee, Wisconsin and KCXX-FM in San Bernardino, California. Mr. Davis got into Radio Broadcasting after playing American Football for the Green Bay Packers.

It was a pleasure to receive your letter and I hope you hear many more stations from around this small world.

Best regards,
