JAMES R. DeSANA, DIRECTOR

November 9, 1998

Mr. John S. Sampson  
5055 Moose Point Road  
Grand Rapids, Minnesota 55744

Dear Mr. Sampson:

This letter confirms that we transmitted the message you heard on September 9, 1998. There are twelve transmitters located at various points in metropolitan Detroit.

All transmitters operate at a maximum of ten watts and are intended to be clearly understood with normal reception equipment at a range of five miles or less.

Thank you for letting us know that you received the signal.

Sincerely,

A handwritten signature in blue ink that reads "Ross J. Bremer".

Ross J. Bremer  
Supervising Engineer  
Out-State ITS Development and  
Demonstration Unit
