John:

This will confirm your reception of "Information Radio 1610" at 3:00 AM on September 11, 2005.

Thanks for taking the time to confirm the reception of our low power signal way up there in Minnesota.

If you want to know how the station sounds in the Kettering, Ohio area, we also send out our audio over the internet at www.1610.info.

Sincerely

Norm Schrein
