Greetings!

We apologize for the delay in acknowledging your letter!

Thank you for your reception report of 27 May 1999. It was interesting to note that WRIG could be received at your location. I'm assuming 1390 out of Brainerd was not on the air at that time..?

Anyway, I am pleased to confirm your reception report as submitted. I have passed it along to our engineering staff.

We wish you well, and we hope you'll write to us again sometime!

Regards,

Ken Clark  
WRIG Program Director
