TRI-COUNTY BROADCASTING, INC.

101.7 WHMH • 800 WVAL • 660 WBHR

Dear Mr. Sampson,

We would like to confirm your reception of our signal at 800 AM.. For your information, the station originally went on the air in 1963, and then went off the air in 1983 until earlier this year. We began broadcasting a "Classic Country" format on March 29th of 1999. We broadcast from Sauk Rapids MN, in an old red house, which was built in 1963 by our owner Herb Hoppe. This is still a family owned business, and it's still run from "The Red House That Rocks" (the slogan of our sister station "Rockin'101"). WVAL is the only full-time classic country station in the state as far as we know. So far the response has been great.

On a personal note, I began my radio career in 1979 at KXGR in Grand Rapids. (later KNNS, now KMFY) Our evening personality Darin J. Wait is from LaPrarie. Both of us are Greenway graduates. We're very happy to hear from you, and very happy you can hear us. All the best!
