Dear John;

I have just received your log
for December 25th and your log is correct.

I have personally checked the
cue sheets and found out that everything was exactly as stated.

I am very pleased to hear that
you have been able to take our station and I am also very
pleased to see that the DXers are always alive and of great
service to the broadcasters.

Many thanks for your letter and
the best of pleasure in Broadcasting.

I take this opportunity to wish
you compliments of the season.

Sincerely yours,

C. Couture,
Manager.
