Dear Mr. Sampson,

Thank you so much for acknowledging reception of our station KASI. We are always glad to hear from anyone in our listening audience.

KASI, is a 1000 watt car radio station. Our studios are located in downtown Ames and our transmitter is approximately two and a half miles northwest of Ames.

We are pleased that you let us know of our reception and if such reception continues please drop us a card. All information that you had in your letter was correct.

If ever in the Ames area please stop in and see our studios as we are always glad to meet our listeners.

Sincerely,

Eldon P. Wesley
