Dear Mr. Sampson:

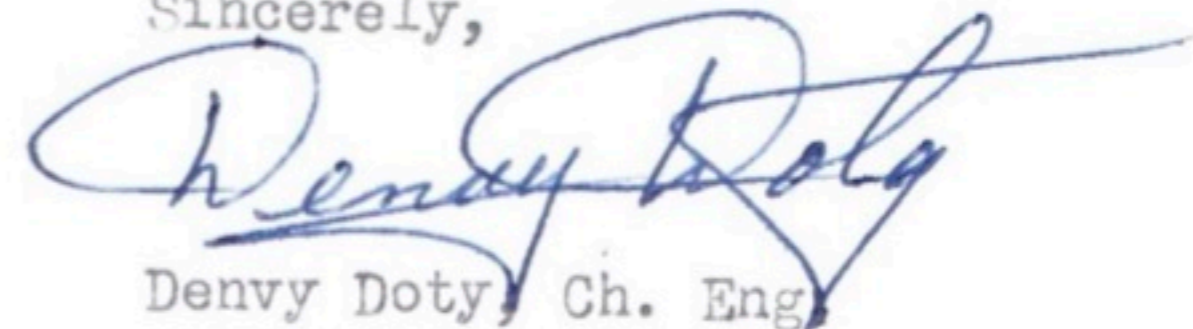

Thank you for your reception report of Sept. 30, 1961. Your report agrees with our log as stated.

Our station is 5000 Watts day, Non-directional, and 500 Watts night directional with the main lobe at 38 degrees, North East. (3 towers).

We are an independent station with studios and transmitters in a single building in Golden Valley, Minn. The transmitters and other equipment is almost entirely RCA.

Thank you again for your report, and you have an open invitation to visit us at any time you are in Minneapolis.

Sincerely,

Denvy Doty, Ch. Eng.
