Dear Mr. Sampson:

We want to thank you for your letter stating that you received us at 4:56pm to 5:21pm. It's always a pleasure to hear from someone so far away from Tucson. We are, as you know, a 50 KW, but up at 1550 our radius is quite a bit less than, say, KFI's. We hope to be on the air fulltime sometime next year, probably 50 or 10 KW nighttime. Our tower is 380 feet high and is located some 15 miles north of our studios here in Tucson.

Please accept this note as verification of your reception on November 18, 1961, at the above mentioned time.

It was a sincere pleasure for us to hear from you. Again, many thanks and the best of luck to you.

Very truly yours,

Joe Frank
Program Director
