Mr. John Sampson
570 Prospect
Hutchinson, Minn.

Dear Mr. Sampson:

Sorry that we have not answered your nice letter of October 29, but we have been snowed!

Your information was correct. We do always enjoy hearing from you. You might be interested in listening at 4:30 AM on the morning of December 6, 1960. We have a frequency check due at that time and you'll probably be able to get us loud and clear.

Sincerely,

Fran Parr
Commercial Mgr.
