December 30, 1961

Dear Mr. Sampson,

This is to confirm your reception of our station on December 24th. And you are right that December 24th. was our first broadcast day. We are programing news and music for the rest of December until the first of the year when we begin our regular program schedule.

We have received reports of good clear reception from Duluth, Princeton, Milaca, Brainerd, Walker, Hibbing and Chisholm.

We have a complete Collines rig and operate 1KW daytime only.

So far you have the top DX honors.

Yours truly,
