Dear Mr. Sampson:

Am happy to verify your reception of KOLY on 1300 kc at 6:30 a.m. CST on Sunday November 5th, 1961. You quoted our sign on verbatim! The word you missed on the program intro was "Here's the Klassified Page of The Air!" etc.

Most of the Dxers who dial us in have difficulty with WERE but then most of the Dxers we hear from are in the East---Ohio, New York, Penn. and occasionally from Washington State.

Cordially,

A handwritten signature in black ink, appearing to read "D. P. Coleman". The signature is written in a cursive, flowing style.
