Dear John,

Please excuse the delay in answering your letter, but believe me it's always nice to hear from you DX'ers. Enjoy hearing from Minnesota, being a native of St. Paul myself.

This will confirm your reception of our station at 4:59 a.m. the morning of 11/9/61. We are a 1000 watt, 2 tower, directional day-timer, programming country and western music.

We have a sharp null in your direction (to protect KTOE in Mankato), and it is surprising that you received us.

Once again thanks for your letter, I remain

Yours truly,

Don Denver
