Mr. John Sampson
570 Prospect
Hutchinson, Minn.

Dear Mr. Sampson:

We received a verification notice from you last fall and somehow your letter was misplaced. Don't ask me how, but it turned up in my personal files today; so, this answer and verification that you did log KPAN on October 30, 1960. Our log checks out that you heard KPAN from 6:09 to 6:14 on that day.

Sincerely,

Clint Formby
Manager
