 RE: _____

Dear Mr. Simpson
 It was a pleasure to hear from you from way back in Uruin.
 As far as I can recall you are our 2nd report out of Uruin. Our power
 is "pushed up and down the San Joaquin Valley in a generally NW & SE pattern
 which would put you on the null. Your H0129X must be hot. Of
 course your ant length is rite too which helps.

A most happy New Year to you and yours from our
 Staff

Sincerely
Cal Suriance
