"CROSS ROADS TO VACATIONLAND"

WADENA, MINNESOTA

Dear Sir;

The material you logged on December 3rd, 1960 is correct as compared with our log. KWAD operated on 920 Kc. from 6:30 till 11:00 each day except Sunday (8:00-10:00) We go directional at Sunset.

It's surprizing you can even hear us down there with fairmont so close to you. I'm originaly from Dassel myself and my mother works at 3M in Hutch. My Call is KØLBC, I don't get on the air much anymore, if at all just to talk to Bob, WØKLGin ~~WØKLG~~ Dassel.

Sorry to take so long in answering your letter, but things pretty busy up here.

Yours truly,

Jack Erickson
